

Virtual LIVE Auction Help

How to Register to Bid:

On Mobile: Choose the Register button at the top.

Desktop: Choose bidder in the top-left corner of the page. Next, choose the Register button on the right side of the page and complete the form. Make sure to fill out all information asked on the form completely.

How to Bid:

1. Make sure you have Registered and are logged in as a bidder. You also must have a credit card on file to bid. To place a bid, first view an item that is eligible for bidding.
2. Type in the desired amount in the bid box.
3. Select the type of bidding you would like to use.
4. Click "Place Bid".
5. Click "Confirm Bid".

You will know right away if you are in the lead, or if another bidder's maximum (proxy) bid is already higher than yours.

If you are in the lead, you will receive an email letting you know if you've been outbid so you can bid again!
