

BOARD of TRUSTEES APPLICATION / QUESTIONNAIRE

On behalf of everyone at the Humane Society for Greater Nashua “HSFN,” thank you for your interest in serving as a member of our Board of Trustees. We know that those interested in being a board volunteer have many choices within our community. We are humbled to know that you are interested in our organization.

Serving on the board is a rewarding experience and an opportunity for personal and professional growth. Completing this application will allow us to get to know your interests and skills and will help you understand the skills and time/resource commitments of a board position with HSFN. You may find it helpful to read through the application and the Board of Trustee Acknowledgment form before you complete it.

Thank you again for your interest in our work and for taking the time to complete this application with thought and care. This application will be kept confidential and will be reviewed carefully by our Governance Committee.
