

Volunteer Board Member: Strategic Finance Expertise

About the Opportunity

The Humane Society for Greater Nashua (HSFN) is seeking a volunteer Board Member with experience in financial strategy, nonprofit accounting, or fund management to help guide the organization through continued growth and expansion.

As HSFN builds a new facility and expands services, this Board role offers the chance to apply your financial expertise in a strategic leadership setting. This is not a hands-on accounting role, but an opportunity to shape high-level decisions that influence our financial sustainability, community impact, and long-term success.

Our Mission

The Humane Society for Greater Nashua advocates for and enhances the lives of animals entrusted to our care while educating our community to strengthen the human-animal bond.

Responsibilities

- As a volunteer Trustee with finance expertise, you will:
- Provide guidance on financial strategy, resource allocation, and long-term planning
- Oversee budgeting processes and stewardship of the endowment fund
- Advise on investment, risk management, and sustainability initiatives
- Ensure transparency, compliance, and accountability in financial practices

Expectations

- Attend monthly Board meetings
- Serve on committees, particularly those related to finance
- Review materials in advance of meetings and contribute actively to discussions
- Serve as a community ambassador of the organization's mission and values
- Support fundraising efforts to the extent you are comfortable
