ADOPTION POLICIES FOR OUR EVENT

*Our Adoption Tent can be very busy, please have patience with our staff & volunteers.
Thank you!*

- All adoptions today will be on a first come, first serve basis
- Please head over to our Adoption Tent (see map in program)
- At the Adoption Tent you will receive a number to meet with an adoption counselor
- **ALL** household members, **including pet dogs**, must be present for the adoption process
 - No owned dogs are allowed inside the adoption tent, but we will have handlers who will hold your dog(s) while you are visiting with the adoptable dogs
 - An adoption counselor will assist you with meet & greets between your dog(s) and the adoptable dogs
- We cannot put any “holds” on the dogs available for adoption at our event. Dogs will go home with their new families today!
- Any dogs that are not adopted at today’s event will be available for adoption tomorrow at 10AM at our shelter (24 Ferry Rd, Nashua, NH)

Please note: All dogs available for adoption from us are spayed/neutered, behaviorally evaluated, microchipped and up to date on all age-appropriate vaccinations.

Adoption Fees:

Puppies under 1 year: \$450

Dogs between 1-6 years: \$350

Dogs 6 years & older: \$175

We accept cash, checks, and credit cards here at the event.
